INDEX.

Original Communications and Clinical, Pathological and Bacteriological Memoranda.

PAGE

ASSINDER, E. W.—*See* Butler, T. H. 549

BARNARD, CAPT. T. W.—*See* Wright, Major R. E. 123

BARRETT, SIR JAMES, K.B.E., C.M.G.—The vision of railway servants ... 329

BERNER, O.—*See* Holth, S. 401

BROWNLIE, W. B., and NEAME, H.—Case of implantation cyst of iris and ciliary body 497

BRYANT, C. H.—The third dimension in monocular vision 271

BUCHANAN, L.—Monocular optic neuritis 170

BUTLER, T. H.—Professor Vogt's course on slit-lamp microscopy 551

———————and ASSINDER, E. W.—Case of endothelioma of ciliary body 549

CUMMINS, J. D.—Hyperplasia of the hypophysis cerebri ? 260

——————— Note on Wernicke's pupillary reaction 421

DOYNE, P. G.—Tournay's reaction 420

FARMER, ERIC.—An account of an experiment on visual after-sensation in reference to illumination in coal mines carried out by the National Institution of Industrial Psychology 328

FRASER, A. REITH.—*See* Sichel, A. W. S. 525

GARROW, A.—A statistical inquiry into 1,000 cases of eye injuries 65

GIBSON, J. LOCKHART.—Siderosis 174

GIFFORD, SANFORD R.—Intra-cisternal injections in the treatment of luetic optic atrophy 506

GRAVES, BASIL.—Small electric ophthalmoscopes 562

HARTRIDGE, H.—The Ladd Franklin hypothesis of colour vision 139

HERBERT, LT.-COL. H.—The pectinate ligament in its relation to chronic glaucoma 469

HOLTH, S. and BERNER, O.—Congenital miosis or pinhole pupils owing to developmental faults of the dilatator muscle 401

JAMES, R. R.—Cases of ophthalmological interest from the post-mortem records of St. George's Hospital, London, 1841-1921 ... 313

———————The ophthalmic history of Samuel Pepys 231

KEEGAN, J. JAY.—The technique and reaction of intra-cranial mercuric bichloride injections 522

KILLICK, C. (the late).—A series of one hundred cases of cataract removed under a subconjunctival bridge 320

———————Treatment of conical cornea 264

PAGE

LAWFORD, J. B.—Edward Nettleship (British Masters of Ophthalmology Series) 1

————————and NEAME, HUMPHREY.—Binocular choroidal tuberculosis with detachment of the retina in two kittens 305, 419

LAWRIE, W. DUNCAN.—Microphthalmia with vertical slit-like pupil, an opacity of cornea, and remains of pupillary membrane 240

MANN, IDA C.—Some suggestions on the embryology of congenital crescents 359

MOORE, R. FOSTER.—A modified suction cataract extractor 235

————————A watertight suture in trephining 257

NEAME, H.—Two cases of tumour of optic nerve 209

————————*See also* Lawford, J. B. 305, 419

NORRIE, G.—Prophylaxis against blennorrhoea neonatroum in Denmark ... 374

PICKARD, RANSON.—A method of recording disc alterations and a study of the growth of normal and abnormal disc cups 81

RAMSAY, A. MAITLAND.—George Critchett, 1817-1882 (British Masters of Ophthalmology Series) 353

RATNAKER, R. P.—Blue cataract 269

RIDLEY, N. C.—Notes and specimens of case of intra-orbital neoplasm ... 545

SICHEL, A. W. S. and A. REITH FRASER.—Hemianopia as the sole clinical feature in untreated secondary syphilis 525

———————— So-called glass-workers' cataract, occurring in other occupations, with a report of two cases 161

SMITH, PRIESTLEY.—The blood-pressure in the eye and its relation to the chamber pressure 449

TICHO, A.—Ophthalmomyiasis 177

USHER, C. H.—Cases of metastatic carcinoma of the choroid and iris ... 10

VERBITZKY, V. C.—The new reduced eye adapted to accommodation 237

WALSHE, F. M. R.—Case of secondary carcinomatous infiltration of pia-arachnoid of brain, presenting exclusively ocular symptoms during life: meningitis carcinomatosa 113

WILLIAMSON-NOBLE, F. A.—Endothelioma of the orbit 222

WRIGHT, MAJOR, R. E. and CAPT. T. W. BARNARD.—The importance of radiography in doubtful cases of optic atrophy with special reference to pituitary disease 123

————————————The modern electric ophthalmoscope, its disadvantages and advantages 559

YOUNG, G.—Macular perception in advanced cataract 167

SUBJECTS.

Entries printed in thick type indicate grouped or special abstracts.

	PAGE
Abbreviated Journal Titles ...	496
Abiotrophies, ophthalmic ...	429
Accidents caused through arsenobenzols	291
Accommodation, the new reduced eye adapted to ...	237
Acta Ophthalmologica. New Scandinavian Journal ...	400
Adenopathy, bronchial, ocular phlyctenulae and	144
Alvarenga Prize	592
Amaurosis caused by lightning	195
——— quinine	292
Amaurotic family idiocy, report of nine cases	430
Amblyopia, tobacco-alcohol ...	391
——— toxic	391
——— toxic, of alcoholic origin	392
American Academy of Ophthalmology and Oto-Laryngology, Annual Meeting of ...	352
Anaesthesia, surgical, the lacrimal gland in	538
Ankyloblepharon with precorneal cyst	194
Annotations 54, 91, 143, 241, 272, 332, 375, 422, 478,530, 568	
Anterior chamber, dislocation of lens into	432
———polar cataract ...	185
Anti-diphtheritic serum, four cases of pseudo-membranous conjunctivitis treated with	283
Anti-trachoma league	243
Antityphoid vaccination, herpes of cornea after, two cases of	344
Appointments 64, 160, 208, 255, 304, 351, 400,447,494, 592	
Aqueous, albumin content of, influence of intravenous injections on	534
——— humour, secretion of	433
——— Wassermann reaction in the	536
Arsenobenzols, accidents caused through	291
Artificial eye, mobile	487
Atrophia gyrata choroideae et retinae	577
Auto-suggestion blindness ...	196
Bacillus fluorescens, corneal ulcer due to, six cases of ...	533
Barraquer's operation	147
——— simple means for producing the vacuum necessary for extraction of cataract "in toto" by	148
——— twenty cases of ...	149

PAGE

Bijapur branch of the Bombay Presidency Blind Relief Association 544
Black cataract 339
Blennorrhoea neonatorum in Denmark, prophylaxis against 374
Blind spot, macular vessels, scotoma, etc., researches on, by special method of visual field testing 535
Blind, the, and the prevention of blindness 55
Blinded, re-education of the ... 191
Blindness, auto-suggestion ... 196
——— causes and prevention of, departmental committee's report; conclusion and summary of recommendations 57
——— final report 93
——— prevention of, the blind and 55
——— red-green, as a hereditary peculiarity 431
——— war, at St. Dunstan's 153
Blood-pressure in the eye and its relation to the chamber pressure 449
Blue cataract 269
Blue glass, lesions of cornea revealed by 198
Bowman lecture ... 255, 332
Bowman Library, the 301
Brain, pia-arachnoid of, case of secondary carcinomatous infiltration of, presenting exclusively ocular symptoms during life 113
British Journal of Ophthalmology Annual General Meeting 256
——— Shares ... 592
——— *Masters of Ophthalmology*, (13) Edward Nettleship (1845-1913) 1
——— *Masters of Ophthalmology* (14) George Critchett, (1817-1882) 353
——— Medical Association, Annual Meeting of 350, 448
Brooklyn Ophthalmological Society 448
Bulbar conjunctiva, plasmoma of, case of 536
Bulletin de la Ligue Contre le Trachome, No. 1, 1923 ... 495
Burns of the conjunctiva by Yperite 189
Butyn *versus* cocain 397

PAGE

Cancer. *See under* Carcinoma
Capsule, extraction of senile cataract in 382
Carcinoma, metastatic, of choroid and iris, cases of 10
——— metastatic, of eye, rare form of ... 533
——— of choroid ... 336
Carotid arteries, common, ligation of, in treatment of traumatic exophthalmos ... 295
Cataract, advanced, macular perception in ... 167
——— **Barraquer's operation for** 147
——— simple method for producing the vacuum necessary in 148
——— twenty-four cases of 149
——— black 339
——— blue 269
——— extractor, suction, modified form of ... 255
——— following electric shock 388
——— glasses, wearing of, influence of, on earning capacity 390
——— glass-workers', so-called, occurring in other occupations, with a report of two cases 161
——— immediate discission of posterior lens capsule in operating for 384
——— operation, autogenous vaccines in ... 287
——— the beginner's ... 387
——— polar, anterior ... 185
——— senile, and presbyopia, development of ... 388
——— earliest stage of ... 386
——— extraction of, in the capsule ... 382
——— study of, by Gullstrand's lamp ... 187
——— series of one hundred cases of, removed under a subconjunctival bridge 320
——— serum and vaccine treatment for prevention and cure of ... 358
Chamber pressure, relation of blood-pressure in the eye to 449
Cholesterin excess in the blood, corneal oedema and ... 290

PAGE

Chorio-retinal pigmentation, alteration of, previously undescribed, case of ... 578
Choroid, carcinoma of 336
——— and iris, metastatic carcinoma of, cases of 10
Choroidal tuberculosis, binocular, with detachment of retina in two kittens ... 305, 419
Ciliary body, endothelioma of, case of 549
——— and iris, implantation cyst of, case of ... 497
Coal mines, illumination in, experiment on visual after sensation in reference to, carried out by National Institution of Industrial Psychology 328
Cocain Substitutes Committee 351
Colour vision 154, 430
——— the Ladd Franklin hypothesis of ... 139
Conical cornea, treatment of ... 264
Conjunctiva, burns of, by Yperite ... 189
——— staining of, in diagnosis of trachoma ... 536
Conjunctival sac, effects of direct instillation of Novoarsenobillon in resistant cases of congenital syphilitic interstitial keratitis 287
Conjunctivitis, eczematous, and keratitis, mercurial preparations and salvarsan and its derivatives in treatment of 286
——— gonococcal, treatment of 190
——— Dmégon in 285
——— pseudo-membranous, four cases of, treated with anti-diphtheritic serum 283
Cornea, conical, treatment of ... 264
——— herpes of, after anti-typhoid vaccination, two cases of 344
——— in trout embryos, metaplastic development of 572
——— lesions of, revealed by a blue glass 198
——— opacity of, and remains of pupillary membrane, microphthalmia with vertical slit-like pupil, case of ... 240

PAGE

Corneal nerves, visibility of, under pathological conditions 343
——— oedema and cholesterin excess in the blood ... 200
——— ulcer due to bacillus fluorescens, six cases of 533
Correspondence 62, 63, 110, 204, 254, 301, 397, 444, 493, 591
Corrigendum 352
Crescents, congenital, some suggestions on embryology of 359
Cyst, implantation. *See under* Implantation cyst. ...
Cyst, pre-corneal, ankyloblepharon with 194

Dacryo-adenitis, tuberculous; attenuated tuberculosis of lacrimal gland 346
Declination 197
Decompression, papilloedema and 347
Denmark, blennorrhoea neonatorum in, prophylaxis against ... 374
——— xerophthalmia in, in 1909-1920 ... 532
Dental origin, acute unilateral retro-bulbar neuritis of ... 345
Development of iris 482
Diabetic retinitis 578
Dilatator muscle, developmental faults of, congenital miosis or pinhole pupils due to ... 401
Diplopia, feigned, simple method for detecting ... 575
Direction reflex of the eyes in reading 196
Disc alterations, method of recording, and study of growth of normal and abnormal disc cups ... 81
——— cups, normal and abnormal, growth of, study of, and method of recording disc alterations 81
Distoma, lung, entry of, into lid and orbital tissue ... 534
Dmégon in treatment of gonococcic conjunctivitis ... 285
Doyne Memorial Lecture ... 207
